

Who we are

Western Balkan Six Chamber Investment Forum is a joint initiative of the Chambers of Commerce and Industry of Albania, Bosnia and Herzegovina, Kosovo, Montenegro, Northern Macedonia and Serbia, which established a cooperation platform in 2017 with the aim of giving voice to the business community in the region and facilitating the business contacts as well as promoting the region as ***a unique investment destination.***

Western Balkans Chamber Investment Forum represents around **350,000 companies**, mostly small and medium-sized enterprises in its mission to open new opportunities for stronger networking of business communities within the region by removing the remaining obstacles to the development of the regional economic cooperation and improving business and investment climate in the markets of the WB region

Where we are

In early 2017, chambers of commerce and industry from the Western Balkans 6 (Albania, Bosnia and Herzegovina, Kosovo, Macedonia, Montenegro and Serbia) have decided to establish the WB6 CIF **Permanent Secretariat**, as a professional CIF entity headquartered in Trieste, Italy. Its inauguration was held on 12 July 2017.

In July 2017, **Trieste** hosted the **2017 Western Balkans Summit**, fourth annual summit in a row within the Berlin process initiative for European integration of western Balkans states.

The **Permanent Secretariat** is the first tool CIF has created to further articulate the ***voice of regional business community***.

what we do?

- Supporting economic ***development of the SEE***
- Supporting ***competitiveness of the small and medium sized enterprises***
- ***Enhancing local and regional investment climate*** and facilitating investments generating economic development and jobs
- ***Pooling human resources*** and structures in the fields of business support, research, education and communication
- Managing and organizing activities ***creating visibility*** of chambers role in creating better business and investment climate and business support
- Providing ***an instrument*** for more efficient use of available funds from the European Union and other international donors to reach above stated objectives

the map rea

The Multiannual Action Plan for a Regional Economic Area in the Western Balkans 6 (MAP REA) adopted by Prime Ministers of the WB6 at *the Summit in Trieste* singles out **the WB6 CIF and its prominent role** in the continuous and interactive dialogue with the private sector, which is one of the key commitments of the region in delivering REA.
