On April 6, 2020 the Minister of Health of the Republic of Bulgaria, Kiril Ananiev, has issued a new ORDER, RD-01-183/06.04.2020 in view of the situation with COVID-19, which provides the following:

I. Introduces a temporary ban on entry into the territory of the Republic of Bulgaria, as follows:

1. Temporarily is prohibited the entry into the territory of the Republic of Bulgaria of all third-country nationals, through all border crossing points, by air, sea, rail and road.

2. Temporarily is prohibited the entry into the territory of the Republic of Bulgaria of persons, irrespective of their nationality, who come from the following EU Member States and Schengen countries with a high risk of COVID-19 proliferation: Italy, Spain, France, the United Kingdom and Northern Ireland, Germany, the Netherlands, Switzerland, Austria, Belgium, Iceland, Liechtenstein and Luxembourg at all border crossing points, by air, sea, rail and road.

3. The prohibitions under points 1 and 2 shall not apply to:
   a) Bulgarian citizens, family members of Bulgarian citizens, persons with permanent, long-term or long-term residence status in the territory of the Republic of Bulgaria and members of their families;
   b) medical professionals, medical scientists and social workers, where the purpose of the journey is linked to the profession, practiced by them;
   c) transport personnel engaged in the carriage of goods, crews of aircraft engaged in commercial air transport and other transport personnel as necessary;
   d) foreign officials (Heads of State, Government members, etc.) and members of their delegations, as well as diplomats, officials of international organizations, military personnel and humanitarian workers in the performance of their duties;
   e) persons traveling for humanitarian reasons;
   f) nationals of Member States of the European Union and Schengen States (including San Marino, Andorra, Monaco and the Vatican) and third-country nationals directly involved in the construction, maintenance, operation and security of strategic and critical infrastructure of the Republic of Bulgaria;
   g) frontier workers and seasonal farm workers.

4. Transit through the territory of the Republic of Bulgaria is allowed to:
   a) nationals of Member States of the European Union and Schengen States (including San Marino, Andorra, Monaco and the Vatican) and their family members in order to return to their country of residence;
   b) third-country nationals who hold a long-term residence permit in another Member State of the European Union or in a Schengen country (including San Marino, Andorra, Monaco and the Vatican) and
their family members in order to return to the country of residence;

(c) citizens of Serbia, the Republic of North Macedonia, Montenegro and Turkey in order to return to the country of which they are nationals;

(d) the persons referred to in point 3 (c) to which the special rules apply.

5. Transit shall be allowed only in cases where immediate departure from the territory of the Republic of Bulgaria can be guaranteed. Nationals of foreign countries allowed to transit through the territory of The Republic of Bulgaria, with the exception of the persons referred to in point 3 (c), must have previously informed the diplomatic mission or consular office accredited to the Republic of Bulgaria which, in cooperation with the Ministry of Foreign Affairs, agrees with the Ministry of the Interior on the transit route.

II. The following quarantine order is introduced:

1. All persons entering the territory of the Republic of Bulgaria shall be quarantined for a period of 14 days at their home or at other accommodation, where the person has indicated that will stay, with a precept according to the sample (Annex No. 1) of border control health authorities.

2. An exception to point 1 shall be allowed in respect of the persons referred to in point I, 3 (b) and (d).

3. For the persons referred to in point I, 3 (c), the special rules under point III shall apply.

4. General practitioners (GPs) shall carry out medical monitoring for a 14-day period of persons under quarantine in their patient lists.

5. Bulgarian citizens without a general practitioner shall be monitored for a 14-day period by the respective regional health inspectorate office on whose territory they are quarantined.

6. Persons with foreign citizenship shall be monitored for a 14-day period by the medical establishment, with which their respective accommodation residence has a contract for medical care provision. The medical establishment provides information to the Ministry of Foreign Affairs about foreign nationals who quarantined (names, date of birth, document number, citizenship).

7. All persons in close contact with a confirmed COVID-19 case, according to the current case definition, shall be put by the Regional Health Inspectorate under quarantine at the home or at other accommodation under medical observation for a 14-day period from the day of last contact with a sick person.

8. All persons under quarantine shall be obliged not to leave their homes or the place of accommodation in which they have indicated that they will stay for the prescribed period, with exception for the persons under point III, 3.

9. If no symptoms of COVID-19, according to the current case definition, appear until the expiry of the prescribed period, the quarantine shall be suspended.
10. In case of influenza-like symptoms (increased body temperature; coughing; difficulty of breathing, fever, etc.), persons are obliged to contact by telephone their GP (general practitioner), the healthcare facility serving the accommodation, or the relevant regional health inspection office, from where they can obtain instructions depending on the case.

III. Introduces special rules for persons providing goods and services, as follows:

1. Drivers of heavy goods vehicles - Bulgarian citizens, arriving from a country with registered COVID-19 cases shall be quarantined in compliance with the rules under point II.
