

TRAVEL INFORMATION FOR REPUBLIC OF CROATIA

You are obliged to use highways while transiting through the Republic of Croatia.

In case of using a border crossing that is not on the highway, you are obliged to reach the highway as soon as possible and continue your further journey in transit.

No stopping is permitted during transit, except at designated places indicated on the map.

During the stop, you are required to comply with strict social distance measures to avoid close personal contact at the distance of at least two (2) meters indoors and one (1) meter outdoors.

In addition, you are obliged to follow all instructions of the Civil Protection Representative or police officers.
