- The Permanent Secretariat has worked in setting priority green lanes for facilitation of the priority goods within Western Balkan (WB) and between WB and EU Member States (MS). You can read more in our COVID 19 webpage https://www.transport-community.org/covid-19-news/ . In that context there are taken some exceptional measures in transport to deal with COVID-19 which leads to the inability to comply with certain provisions of EU legislation. For more refer to the EU documents
  - Exceptional measures adopted by the Commission on 26 March 2020 click **here**.
  - Annex related to the above document, adopted on 3 April 2020,click **here**.

Discussion: Where do you stand with the above-mentioned measures? Do you have reported accidents caused by truck drivers due to COVID 19 situation (i.e. long driving hours, resting time period, free/busy rest areas etc)?

- **Directive (EU) 2019/1936** of the European Parliament and of the Council of 23 October 2019 amending Directive 2008/96/EC on road infrastructure safety management.
