

RULES OF PROCEDURE OF THE TECHNICAL COMMITTEE ON TRANSPORT OF DANGEROUS GOODS OF THE TRANSPORT COMMUNITY

I. GENERAL

1. These Rules of Procedure establish the internal procedures for operation of the Technical Committee on Transport of Dangerous Goods (TDGTC) under the Treaty establishing the Transport Community ('the Treaty') between the European Union and the South East European Parties (the Republic of Albania, Bosnia and Herzegovina, the Republic of North Macedonia, Kosovo*, Montenegro and the Republic of Serbia).

2. In case of any contradiction between these Rules of Procedure and the Treaty, the provisions of the Treaty shall apply.

II. MEMBERS, OBSERVERS AND OTHER PARTICIPANTS

1. The members of the TDGTC from the South East European Parties should, in principle, be nominated by the respective authorities in charge of transport of dangerous goods by road, rail and/or inland waterways, as well as from other public authorities in charge of related issues (notably environmental authorities, competent authorities for nuclear protection and representatives of the emergency services).

2. The members of the TDGTC from the European Union should, in principle, represent ministries in charge of transport of dangerous goods from the Member States having transport with South East European Parties, as well as from the European Commission.

3. The observers of the TDGTC are invited as representatives of other states, international organisations or other bodies, as well as representatives from transport of dangerous goods industry (associations, hauliers, operators, freight forwarders, port authorities and other market players), to attend, on an ad hoc basis, specific meetings of the TCTF or one or more parts thereof.

III. CHAIRPERSON

1. Each South East European Party shall hold the Chairmanship of the TDGTC for one calendar year and shall follow in alphabetical order as provided in subparagraph (b) of Article 2(1) of the Treaty. The first South East European Party to hold the Chairmanship shall be North Macedonia.

2. The Chairperson shall chair the TDGTC meetings. It shall be assisted by one representative of the European Union who shall be the Deputy Chair.

3. Should the Chairperson not be in a position to perform its duties for a particular meeting, that meeting shall be chaired by the representative of the European Union who is the Deputy Chair.

IV. PREPARATION OF MEETINGS

1. The Permanent Secretariat of the Transport Community will notify the TDGTC members on the time and venue of the meetings. The meetings can take place through videoconference or in South East European Parties or in EU Member States, but the Secretariat can solicit the members that meetings are held back-to-back with roadside checks of transport of dangerous goods, visits to economic operators performing TDG or related activities, ports or other multimodal hubs, where operations could be observed, if possible.

* This designation is without prejudice to positions on status, and is in line with UNSCR 1244/1999 and the ICJ Opinion on the Kosovo declaration of independence.

2. The draft agenda of the meeting shall be agreed by the Chair and the Deputy Chair. The draft agenda and any documents related to it shall be distributed to the members and the observers at least six weeks prior to the relevant meeting. The members may make comments and propose new items to be added. Material of interest to other states, international organisations or other bodies invited in accordance with paragraphs 2 and 3 of Section II shall also be distributed to them.

3. The Permanent Secretariat shall be responsible for the preparation of the meetings. It shall inform the Chair and Deputy Chair periodically and upon request about the preparation process and follow their requests and guidance in this regard.

4. The working language of the TDGTC shall be English.

V. MEETINGS OF THE TECHNICAL COMMITTEE - PROCEDURAL RULES

1. The TDGTC shall be considered as meeting the required quorum only if four South East European Parties and the European Union are represented.

2. The agenda for the meeting shall be approved at its beginning. In urgent circumstances, new items may be included during the meeting subject to the agreement of the Chair and Deputy Chair.

3. Members, Observers and other participants are encouraged to actively participate in the discussions and may make statements when invited by the Chair.

4. The Conclusions of each meeting shall be drawn up with the assistance of the Secretariat. The Conclusions shall record all measures adopted at the meeting as well as the positions of the members and any statement by observers regarding actions proposed to be taken by the Technical Committee.

5. The Conclusions shall be distributed to the members and the observers. In case it is not possible to prepare the draft Conclusions by the end of the relevant meeting, the Chair shall ensure that they are prepared and distributed within seven calendar days after the meeting. Any member may request corrections within seven calendar days upon receipt of the draft Conclusions. The Chair shall arrange that the final version is distributed within seven days upon the expiry of the deadline for comments.

6. If a member of the TDGTC is absent from the meeting, he/she shall communicate his/her position in writing within the same period of seven calendar days from the date of the receipt of the conclusions. After that period, in absence of written interventions, it shall be deemed that the member concerned has no objection.

7. The Conclusions of meetings may not in any way restrict the scope or effects of legal acts or the Treaty. No statements or conclusions which contradict binding legal provisions shall be made. The Conclusions of meetings shall not form part of legal acts, nor shall have any normative effect.

VI. REPORTING

1. Conclusions and recommendations issued by the TDGTC shall be communicated to the Regional Steering Committee of the Transport Community through the Permanent Secretariat. TDGTC members may be called upon to present a Report on implementation of the transport of dangerous goods acquis for the Transport Community Ministerial Councils and for other meetings within the framework of the Connectivity agenda for Western Balkans.

2. If application of these Rules of Procedure to a specific situation gives rise to a difficulty of interpretation, the Chair, in consultation and agreement with the Deputy Chair, shall provide advice to resolve the situation.
3. Following one year from the entry into force of these Rules of Procedure, based on the practical experience with their application, the Secretariat may propose amendments to these Rules of Procedure as it deems useful or necessary. Where a member of the Technical Committee wishes to propose such amendment, it shall consult first with the Secretariat.

These Rules of Procedure shall enter into force on the day of their adoption by the Technical Committee.
