

The National Strategy for Road Safety
in the Republic of Bulgaria (2021 - 2030)
and Action Plan (2021 - 2023)

ROAD SAFETY STRATEGIC DOCUMENTS AT NATIONAL LEVEL

NATIONAL STRATEGY FOR IMPROVING ROAD SAFETY IN THE REPUBLIC OF BULGARIA FOR THE PERIOD 2011 – 2020

Vision:

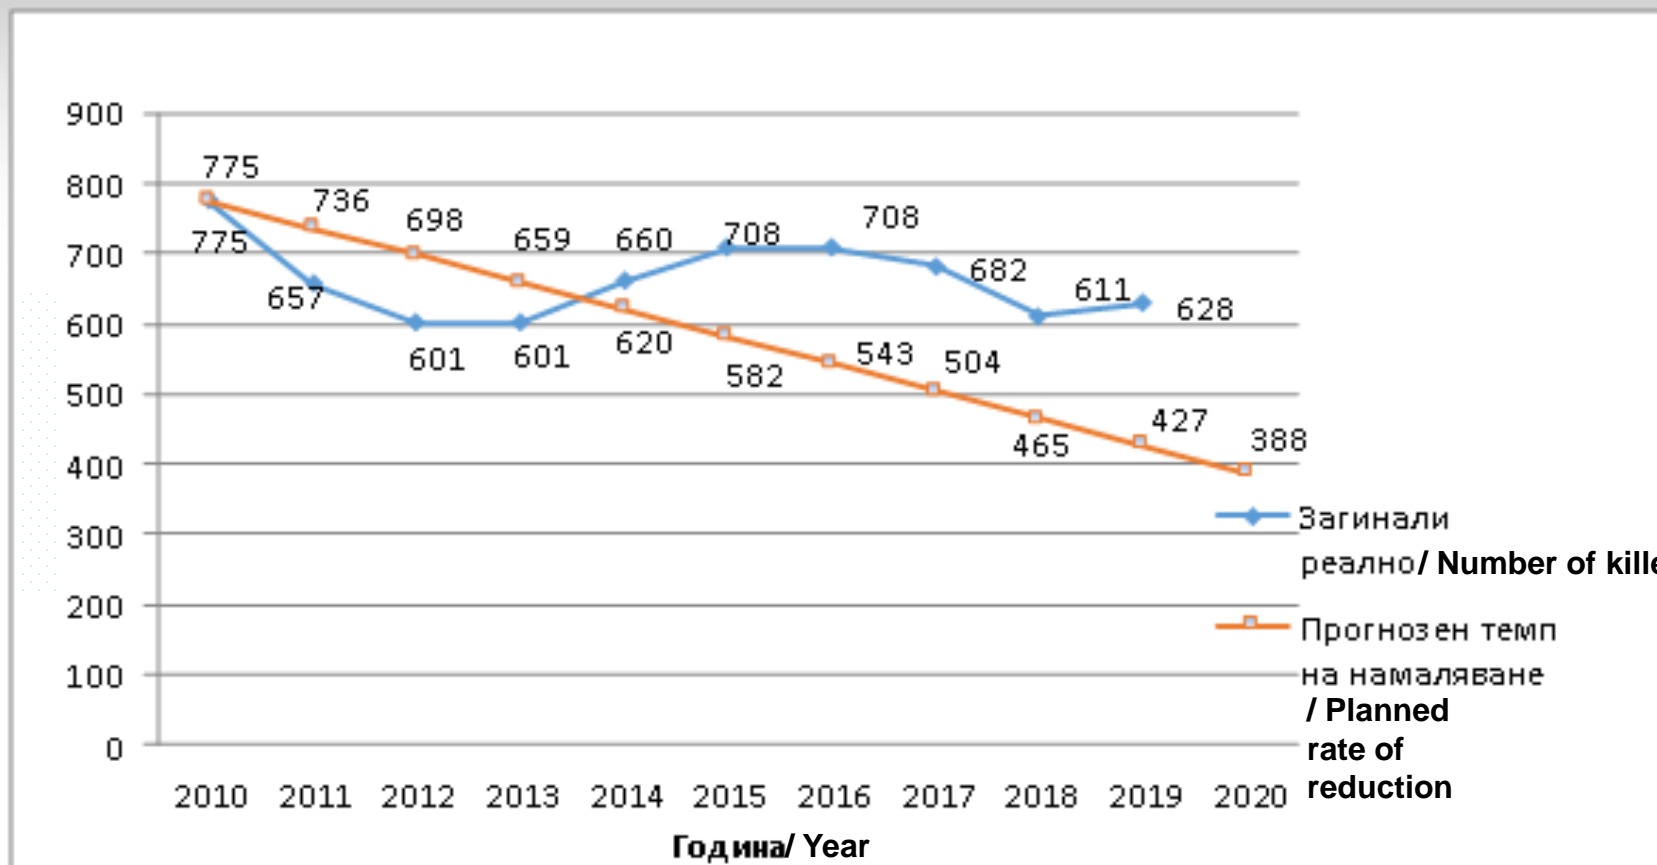

'Road safety is everybody's right and responsibility'

Objective:

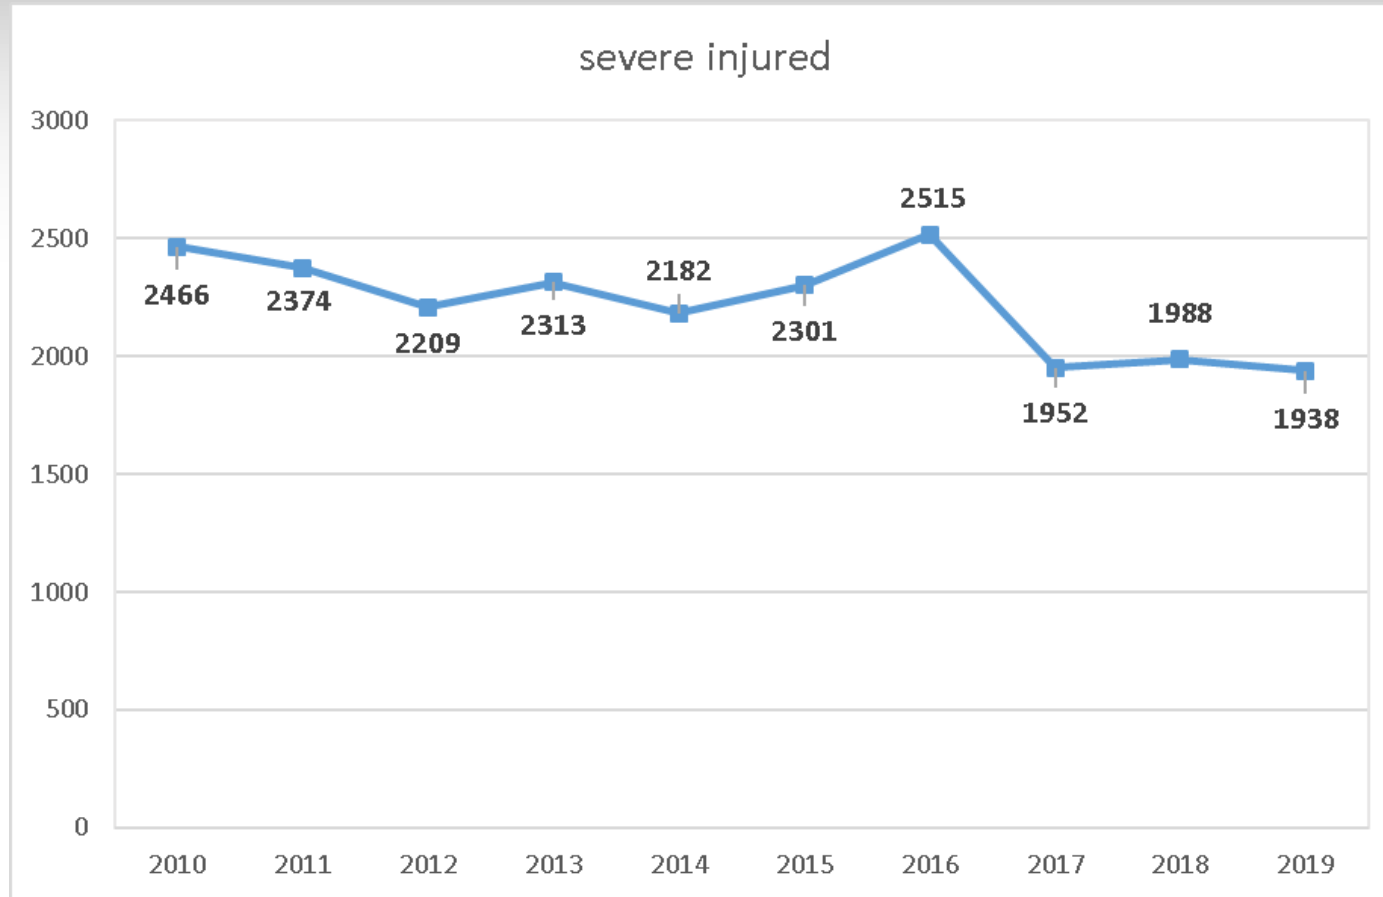

By 2020 to reduce the consequences of road accidents compared with the indicators for 2010 as follows:

- Reduction in the number of road fatalities by 50%;
- Reduction in the number of severe injuries on the road by 20%.

VARIATION OF KILLED COMPARED TO THE PLANNED RATE OF REDUCTION 2010-2019

REDUCTION OF SEVERE INJURIES 2010-2019

NATIONAL STRATEGY FOR ROAD SAFETY IN THE REPUBLIC OF BULGARIA (2021 - 2030)

‘TOWARDS UNIVERSAL SAFE MOBILITY’-The vision includes the thematic areas of impact, 25 strategic goals in 6 thematic areas incl. Management, Road users behavior, Enforcement, Infrastructure, Safety vehicles and Life-saving rescue chain.

The context of this strategy is in accordance with the EU policy of reducing by 50% the annual number of deaths and serious injuries by 2030 based on ‘Safe system’ approach.

Strong commitment to work to achieve zero road deaths by 2050 (‘Vision Zero’).

ACTION PLAN 2021-2023 / GENERAL INFORMATION /

- ❑ **Lessons learned**
- ❑ **Target and approach**
