

CALL FOR TENDERS
No. PS/SUP/IMS/010/2022

Supply and installation of conference audio equipment (microphones)

Q: With 20 microphones you probably mean to cover people who participate in conference call. Solution that we plan to offer, includes Central Unit with Recording & Web Server, 20 Delegate Discussion Units, and 1 Chairman Discussion Unit for person that will lead conference.

A: Total number of microphones, including the chairman discussion unit should be 20. As stated in the technical specifications, when providing the offer, the tenderer should include all necessary elements needed in order to have a fully functioning system.
