# STII ACTIVITY IN NUMBERS

#	Activity: Oil, Gas & Subproducts Inspection Directorate	2021	2022
1	Online performed inspections	1006	618
3	Administrative measures (urgent, activity stopping, fines)	15	9
4	Incidents related to product, equipment, installation safety	3	3

#	Activity: Under Pressure Equipment Inspection Directorate	2021	2022
1	Online performed inspections	3075	2700
3	Administrative measures (urgent, activity stoping, fines)	17	14
4	Incidents related to product, equipment, installation safety	23	7

#	Activity: Electrical Installations, Appliances & Lifting Machineries Inspection Directorate	2021	2022
1	Online performed inspections	1787	1228
3	Administrative measures (urgent, activity stoping, fines)	46	17
4	Incidents related to product, equipment, installation safety	26	15

# Table

	Category 1	Category 2	Category 3	Category 4
Item 1	4.5	2.3	1.7	5
Item 2	3.2	5.1	4.4	3
Item 3	2.1	1.7	2.5	2.8
Item 4	4.5	2.2	1.7	7

- ADR & Dangerous Goods Certificates Register:

- 3080 Vehicles registered for TDG, different types
- 52 vehicle body codes
- 450 companies owning and operating TDG vehicles
- Inspected from ISHTI (STII) = 37 companies (gap 98%)
- Registered transportable tanks on ISHTI (STII) register = 140 (gap unknown)

- 
- Constrains:
    - Lack of human resources know how and training on TDG inspections
    - Lack of inspection and testing equipment
    - Lack of IT and digital platforms for information sharing, companies and equipment register, operations flows and management,
    - Lack or resources for awareness campaigns and initiatives.
    - Necessity of law framework review and compliance with other related laws and institutions.
