Technical Regulation

Approximation with the EU Legislation

1. Directive 96/53/EC on the maximum authorized dimensions and weights for road vehicles
2. Directive 96/6/EEC on the installation and use of speed limitation devices
3. Directive 2003/59/EC on the initial qualification and periodic training of drivers
4. Directive 2008/68/EC on the inland transport of dangerous goods
5. Directive 2009/40/EC on roadworthiness tests
6. Regulation (1071/2009 EC) establishing common rules concerning the conditions to be complied with to pursue the occupation of road transport operator
7. Regulation (EC) 561/2006, Regulation (EEC) 3821/85, Directive 2006/22 EC concerning social legislation relating to road transport
8. Directive 2002/15/EC on the organization of the working time of persons performing mobile road transport activities

Approximation with the EU Legislation

❑ **Regulation (EEC) 3821/85** is implemented by Governmental Decree N426 On the approval of the technical regulation "Rules for the operation of control devices (tachographs) that record the traffic parameters of motor vehicles“

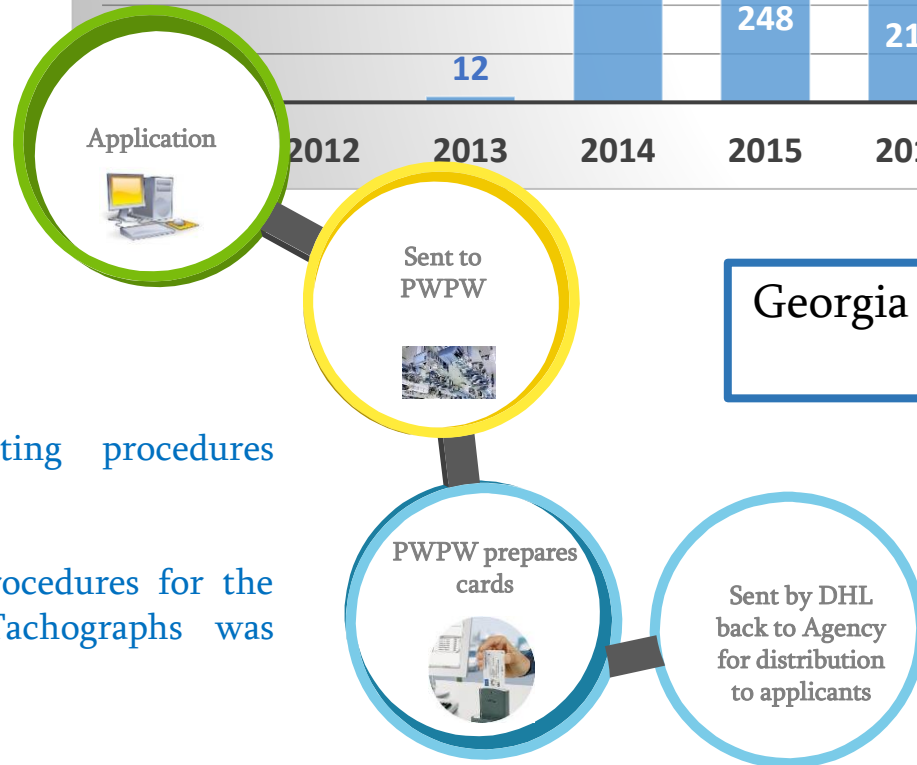

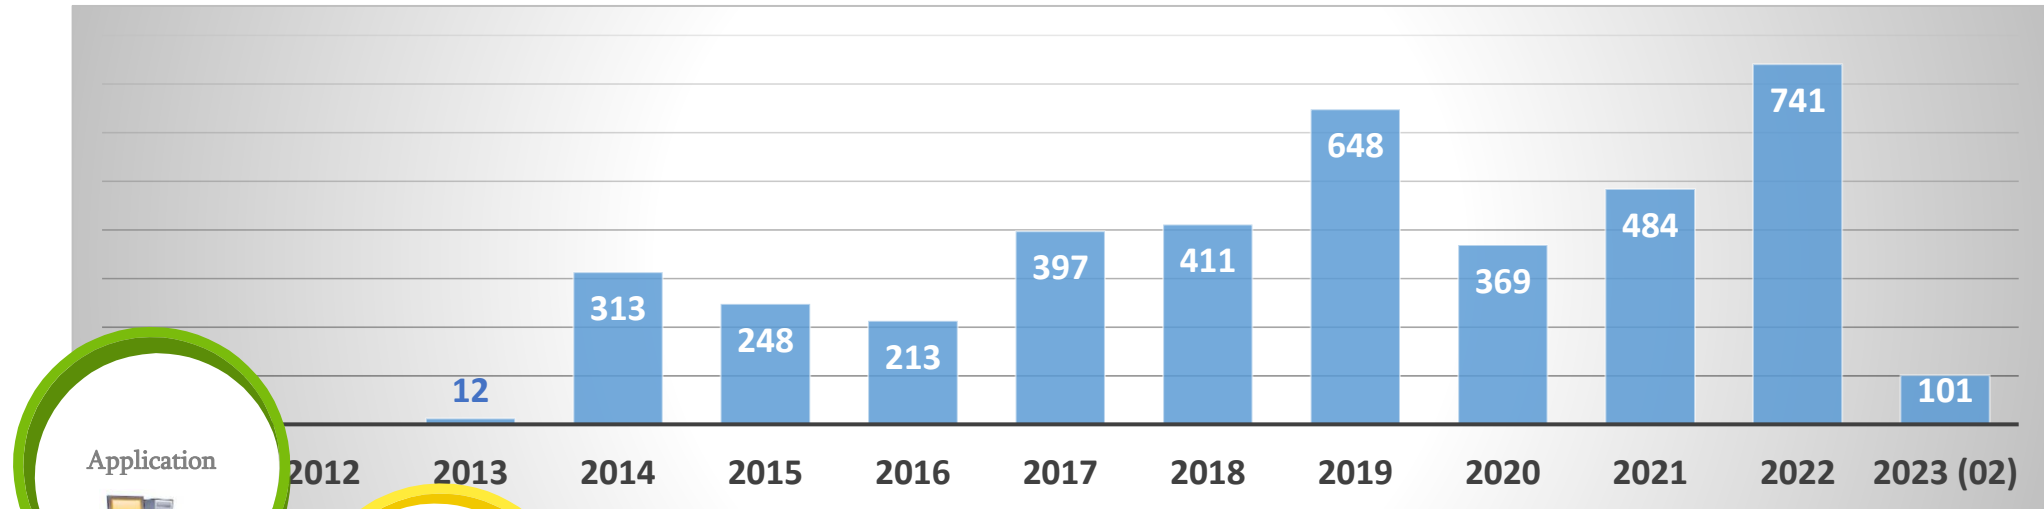

❑ **AETR and Regulation (EC) 561/2006** are implemented by Governmental Decree On the approval of the technical regulation "Work and rest regimes of drivers of motor vehicles involved in international transportation“

❑ **Amendment to the technical regulation** on the working time of persons involved in road transport activities is in process of elaboration to fully approximate with the provisions of the Directive 2002/15/EC.

❑ LTA issues Digital Tachograph Cards from November 2013 (Printed by Polish company PWPW).

The Process of Application/issuing of the Tachograph Cards

Georgia is interested to receive the relevant certificates/keys regarding Smart Tachograph

- In 2022 Keys granting procedures (ERCA) took place
- The security of the procedures for the preparation of the Tachographs was certified
