How to apply for TAIEX?

The screenshot shows the TAIEX Application form website. The browser address bar displays the URL: <https://webgate.ec.europa.eu/TMSWebRestrict/resources/js/app/#/applicationform/home>. The page header features the European Union flag and the text "TAIEX Application form". A blue navigation bar contains a "home" link. The main content area includes a "Professional email" input field with the placeholder "e.g. btm@big.com", a "Create new" button, and a "My list" button. Below this, a message states: "You are a public official and you are about to prepare an Application Form for TAIEX assistance which you will be able to select by following the below guidance." A section titled "Please note that:" lists four bullet points: 1. If you are a public official from an enlargement or neighbourhood country please use the IPA/ENI application form. 2. If you are a public official from a Member State then please use either the REGIO PEER 2 PEER or TAIEX-EIR PEER 2 PEER application form. 3. The PI, TAIEX Strategic and Twinning Review Mission application forms are for EU internal use only. 4. The INTPA PEER TO PEER application form need to be filled in by a public official from a INTPA partner country and a representative from the corresponding EU Delegation. Further instructions state: "If you want to prepare a **new application**: enter your professional email address, click on the **Create new** button and you will receive an email with a URL link leading to a new application form." and "In case you have already used this system to prepare applications and you want to edit and/or submit them, enter your professional email address, click on **My list** button and you will receive an email providing an overview of all your application forms generated so far." A final note says: "If you encounter any problem, please check the [Help guide](#) explaining the steps to fill in the application form online."

- Enter your email address – a confirmation email will be sent with a link to access your application
