What is TAIEX

TAIEX

TECHNICAL ASSISTANCE INFORMATION EXCHANGE

The basics of the process

- Identifying the need - Justification
- Preparation of an Application – TCT Secretariat essential assistance
- Pre-approval process - TCT Support into the justification
- Internal consultation within the TAIEX system
- Selection of an expert – Experts database
- Organisational aspects of the event
- Realisation

Reference documents for this approach

- EU enlargement package – Progress reports for the RPs
- Growth and Reform Facility for Western Balkans – Reform Agendas
- Transport Community Treaty
- Rules of procedure and Terms of reference and mandate of the technical committees
- Next generation action plans
- Progress reports, Five-year rolling work plan and others TCT Secretariat documents containing recommendations
- TAIEX annual activity report other Commission relevant documents

Why TAIEX strategic approach

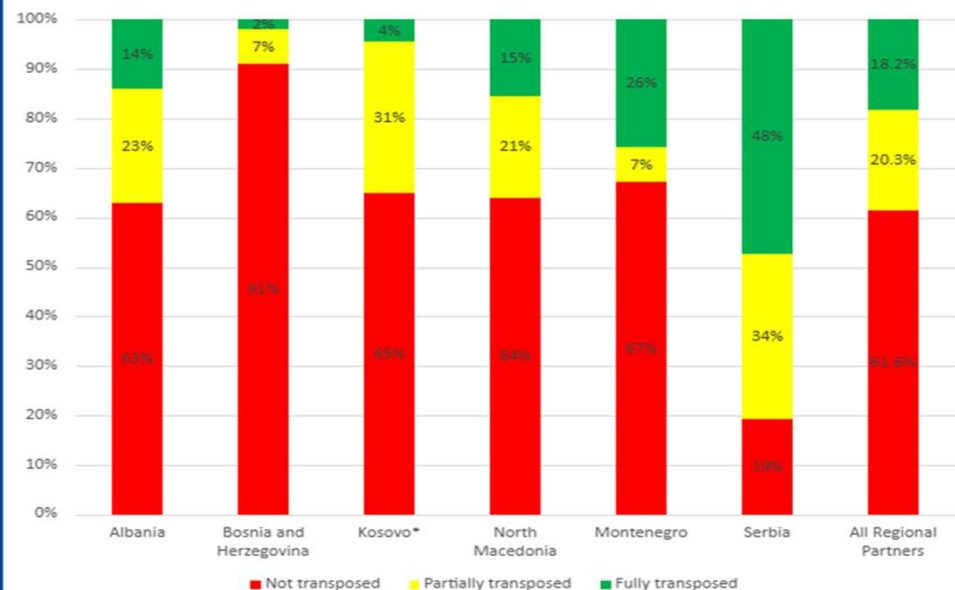

- Swift and free TA to get an **EU expertise**
- It prepares the groundwork for the **EU accession**
- Supporting the **priorities** of the Commission and the Transport community
- Transposition of EU acquis listed in the TCT Annex I - lacks significant **progress**
- Can not be combined with other TA but can initiate **follow-ups**

This is why: the Overall Progress of Annex I of the TCT

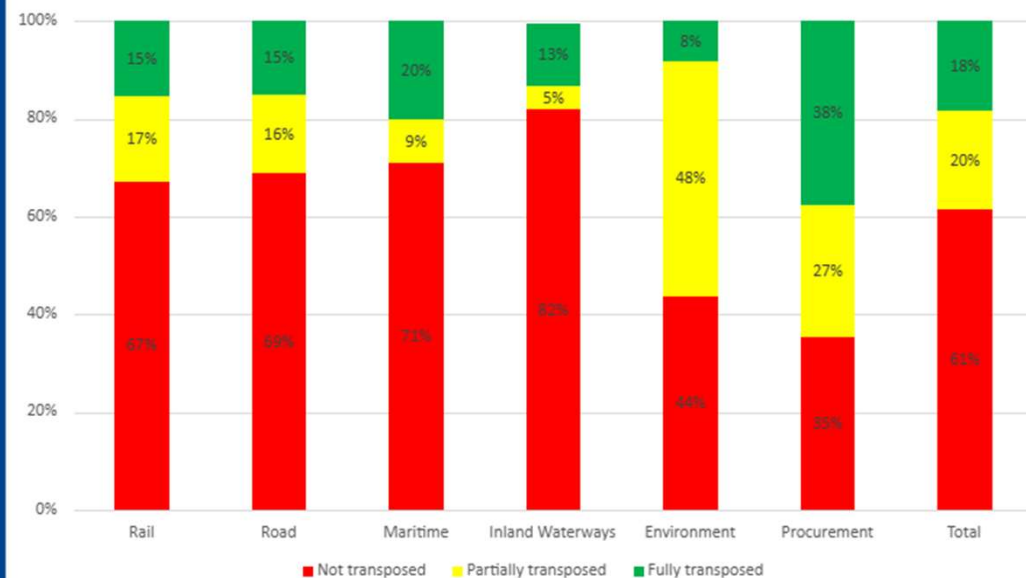

Regional Partners

Transposition status of Annex I

Modes of Transport (Treaty Annexes)

TRANSPPOSITION OF ANNEX I

* This designation is without prejudice to positions on status and is in line with UNSCR 1244 and the ICJ Opinion on the Kosovo Declaration of Independence.

Why & How TCT Secretariat (1)

- General overview of the Region's needs - justification
- Can set the relevant priorities of the region via the RSC and the Ministerial council
- Streamline the Commission and the Regional partners needs
- Take over in planning of a comprehensive Regional workshop (the hardest of TAIEX assistance)
- Evaluation of the effects - very important and missing now
- Propose follow-ups

Why & How TCT Secretariat (2)

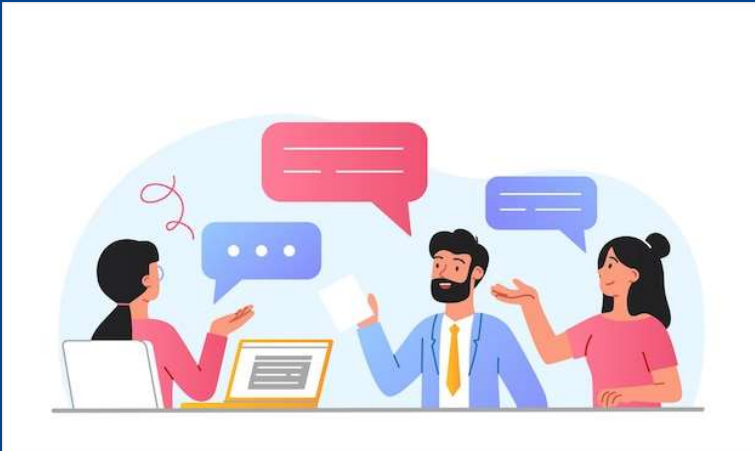

- Identify key stakeholders involved in Annex I implementation, including government agencies, industry representatives, civil society organizations, and international organizations.
- Establish a multi-stakeholder platform for dialogue and knowledge sharing on Annex I implementation.
- Organize workshops and consultations to gather stakeholder input on priorities, challenges, and potential solutions.
- Build strong partnerships with relevant EU institutions and agencies to leverage their expertise and resources.

Concluding remarks - Goals

- Meeting the goals in the Next Generation Action plan
- Improving the progress on EU acquis transposition from Annex I
- Capacity building
- Decreasing the rejected TAIEX applications
- Sharing experience and follow-ups
