

Digital Mobility and ITS Conference for Western Balkans and Observing Participants

LOGISTIC NOTE

BACKGROUND

To ensure a smooth and productive experience for the Digital Mobility and ITS Congress and Technical Committee Meetings scheduled for 20 – 21 May 2023, we have prepared the following logistics information for your reference. For more information please visit:
<https://itseuropeancongress.com/practical-information/>

TRANSPORT

From Seville Airport to the City Center:

You can access the City Centre from the Airport by Bus - it takes 45 minutes and it runs every 12 minutes, you may check the schedule beforehand.

Tickets can be paid for directly on the bus by bank card on all Tussam lines without the need for a physical ticket.

Working hours:

- To Seville: 4:30 to 00:05
- To the Airport: 5:22 to 1:00

More information on:

<https://itseuropeancongress.com/practical-information/>

Access from the City Centre to the Meeting Venue:

Cycle lane

This is one of the best and most sustainable options to get to Fibes. Seville is one of the cities with the most kilometres of cycle lanes in Europe and visitors can reach Fibes via a cycle lane. At the gates of the venue, there is also a parking facility for SEVICI, the municipal bicycle rental service.

[More info](#)

Seville City Bus (TUSSAM)

- Número 24: From the city centre, From Plaza del Duque.
- Número B4: (From the Nervión neighbourhood, Gran Plaza).

[More info](#)

RENFE / Cercanías (Commuter)

Fibes is very close to a Renfe local train station, which is a quick and convenient way to get there:

- Avant, MD, and AVE trains from the provinces to Sevilla-Santa Justa Station, where they connect with Cercanías (Commuter) trains.
- Cercanías (Commuter) Line C4, Palacio de Congresos Station (from Sevilla-Santa Justa Station and San Bernardo Station).
